

STOP CRYPTOCURRENCY SCAMS

IF YOU SEE
A TWEET (OR TEXT,
EMAIL, OR OTHER
MESSAGE ON SOCIAL
MEDIA) THAT TELLS
YOU TO PAY WITH
CRYPTOCURRENCY,
THAT IS A SCAM.

Federal Government agencies and local law enforcement will **NEVER** ask for cryptocurrency.

ATM kiosks look like traditional bank kiosks, which scammers **EXPLOIT**.

Cryptocurrency **FRAUD** is now the riskiest scam for consumers.

Transactions are **IRREVERSIBLE** and hard to trace.

Scammers often **DISGUISE** their phone numbers to appear familiar.
